Special Issue on Obama

PRAISING HOMOSEXUAL AND LESBIAN ACTIVISTS and promising to change America's laws and the hearts and minds of all Americans, Barack Hussein Obama [spoke](#) before the world's largest gay rights political group, the [Human Rights Campaign](#), on October 10, 2009 at their Annual Dinner in Washington DC. Obama [delivered](#) the keynote address with a [speech](#) that drew an enthusiastic response.

The Human Rights Campaign has emerged as a [powerful lobby](#), carried up to by [Jews](#) on Capitol Hill such as Diane Feinstein and Joseph Lieberman, [funded](#) by major corporations, and of course, given [huge support](#) by American Jewry. In his [speech](#), Obama gave his whole hearted support to the homosexual quest to destroy the American family, stating, "I'm here with you in your fight!" Obama said that those who disagreed with his homosexual agenda were simply wrong. "There's still laws to change and there's still hearts to open," Obama told the group of deviant sex activists. Declaring what NO former American President would ever say even in his wildest dreams, Obama, in an effort to DESTROY the traditional white Christian American family, promised that his presidency will help homosexuals, lesbians and trans-genders. And by Obama redefining the meaning of the family, he furthers the disintegration of American society: "[There are still fellow citizens who hold fast to outworn arguments and old attitudes — who fail to see your families like *their* families — and that's painful and it's heartbreaking.](#) I expect to see a time in which our nation recognizes relationships between two men or two women as just as admirable as relationships between a man and a woman. I expect to see our nation cherishing these relationships as we build a more perfect union—a union in which gay Americans are an important part. I am committed to these goals. And my administration will continue fighting to achieve them. I've required all agencies in the federal government to extend as many benefits as possible to LGBT (lesbian, gay, bisexual, and transgender) families. And I've called on Congress to repeal the [Defense of Marriage Act](#) and to pass the [Domestic Partners Benefits and Obligations Act](#)."

It should come as no surprise to those who follow American Jewry's agenda, that the key [sponsors](#) of Obama's desired [Domestic Partners Benefits and Obligations Act](#) are Jews who also are hell bent on destroying the white Christian American family: Democrats Gary Ackerman, Howard Berman, John Adler, and Shelly Berkley. Zionist Jew Rahm Emanuel, now White House Chief of Staff, [co-sponsored](#) the Act when it was first introduced. The Homosexual lobby just LOVES Emanuel, who [received](#) a 100% vote rating from the pro-homosexual Human Rights Campaign.

US JEWRY SUPPORTS OBAMA'S HOMOSEXUAL AGENDA

THE SUBVERSION OF WHITE CHRISTIAN CULTURE by organized Jewry and the Jew-controlled entertainment industry, is part of a two-pronged attack on social homogeneity in American life.

By promoting deviant sexual lifestyles and lobbying for open immigration, Jews insure for themselves a safe haven to further their own ethnic solidarity while dissolving the ethnic identification of White Christian Americans.

The traditional foundations of European society - and by way of extension in America - has rested on three pillars: patriotism, a Christian basis for morality, and social homogeneity. But

Jews are very uncomfortable with this formula for they refuse to relinquish an exalted view of themselves as a "separate people" with their own set of interests within the Gentile nations which host them.

Thus American Jewry has attacked the very race that are the purveyors of this formula, white Europeans, who have carried Christian culture for centuries in Europe and in the three successive centuries since America's founding.

Leading the charge against the white American race and its traditional Christian culture are the Anti Defamation League (ADL) with their intensive [Gay Pride Early Childhood Education Programs](#) in public schools and the American Civil Liberties Union (ACLU) with their [LGBT Project](#) aimed at [defending](#) odious Gay students and [litigating against](#) virtuous Christian students and [Bible distribution](#) in public schools. [Both](#) the ADL and the ACLU are [headed](#) and [funded](#) by Jews.

These two groups have targeted white Gentile children in America's public schools by providing [teaching aids, currucilae, and books](#) such as the [Early Childhood Activity Kit](#) for Pre-K to 6th grade, which [promotes](#) homosexuality, lesbianism, and transgenderism.

Jewish children are exempt from this brainwashing as a high percentage are [enrolled in private schools](#) and [taught](#) at home and synagogue that the propagation of the Jewish race through traditional marriage is crucial for Jewish survival. But for the white Gentiles, so the Jews propose, "let deviant sex destroy their race!"

The legitimization of homosexual unions — as the jewel in the crown of a host of Jewry's initiatives aimed at destroying the white race — is moving 180 degrees opposite the family stability and growth whites need to exist as a viable force in America. Jewry's promotion of personal license and deviant sexual mores will prove deadly to an already endangered race, White Americans of European descent, in an America they can hardly still call their own...

Barrack Obama is a Homosexual!

Jeff Rense is covering the stories that the MSM is ignoring. Last night Jeff Rense interviewed Reverend James Manning. Reverend Manning states with authority that he has proof that Obama and Jeremiah Wright are closet homosexuals and that Obama is a drug user. Reverend Manning found out about the homosexual aspects of Obama and Wright before he learned of Larry Sinclair's allegations of drug use and gay sex with Obama in November 1999. Reverend Manning further states that the reason Obama stayed at TUCU for 20 years was because he was engaging in gay sex with Wright. If you missed the interview last night, you can listen to it here: www.youtube.com/manning_rense.com

Ugliest First Lady in the History of America!!!!

This ugly woman looks as though she should be picking cotton on some south Mississippi plantation, living in some government housing project. She most likely lost her virginity to one of her uncles, brothers or someone who was likely tanked up on cheap Gin. Her lips look like she has a large dip of snuff, like "Bubba" on the movie "Forrest Gump".

She is living in government housing, but has a staff of over twentysix(26) servants, costing the tax payers over 1.5 million dollars annually. This woman, they call First Lady, is married to a drug using half breed, homosexual, non-citizen, Muslim, who is by his own admission, an anti-Christian. There has always been trash in government housing projects, and now there is trash in the White House! America how could you have let this happen? America would have been better off with a bunch of African Apes in the White House. On second thought, maybe that's what we got!

ADL Promotes 'Multi-Cultural' Christmas with Jewish Menorahs Displayed Instead Of Nativity Scenes

Do you see this happening? Wait until you start your Christmas shopping this year, and start paying attention to the decorations. You will be hard pressed to find a Nativity Scene on display in any of your larger department stores. Local, State, and Federal Governments are no longer displaying their Nativity Scenes either. Our Government has declared war on Christianity!

Where did we get that Fiery Cross?

In 1547, Scottish clansmen used the Fiery Cross (Crann Tara) as a symbol of unity and loyalty. Whenever an emergency arose, such as an attack or attempted invasion by rivals, the clan chieftain would dispatch runners carrying Fiery Crosses to assemble the warriors for the battle. The last recorded use of the Fiery Cross was during the Jacobite Rising in 1745. Swedish clansmen had a similar communications system (Bupkafle).

Mississippi White Knights March at Ole Miss!

Multiple news organizations reported last week the KKK was considering the march in response to Ole Miss Chancellor Dan Jones' order for the Ole Miss band to discontinue playing "From Dixie with Love." Jones issued his order after students refused to stop chanting the "the South will rise again" during the song.
